

Activity

The Power of Political Art

Arts - Module 1

Activity

Show your class the following video. The video shows how powerful reusing plastic to make art can be. Let this video inspire your students in their activity.

<https://www.youtube.com/watch?v=tNCnCEIfnkA>

As a final activity, the students will be making their own political art. To provide more limitations to inspire creativity, they will have to make it out of recycled materials. It is up to the teacher to decide whether they want to provide materials or have the students bring it from home.

Here are some examples of great artworks which used recycled materials!

Examples of materials:

- Plastic bottles
- Cardboard boxes
- Fabrics
- Tin cans
- Corks
- Drinking cartons
- Magazines
- [toilet] paper rolls
- Jars
- Egg cartons
- Newspaper

Useful resources to have in the classroom:

- Hot glue gun
- Glue
- String
- Scissors
- Exacto knives
- Paint & Paint brushes
- Paper
